

SENDING HSPT® RESULTS TO ADDITIONAL SCHOOLS

HSPT® results can only be sent to schools where the student has already applied.

If you want to send HSPT® results to an additional participating high school, ask the school to call the appropriate office listed below. Only a school can request results. A parent cannot make the request directly. Click on the blue tab on the home screen labeled “PARTICIPATING HIGH SCHOOLS” to determine if the test site is in the Archdiocese of Newark or the Diocese of Paterson. For HSPT® purposes, Albertus Magnus is listed under the Archdiocese of Newark.

If you want to send HSPT results to a non-participating high school, call the school where you want the report sent to be sure they will accept the HSPT® as an entrance examination for their school. If they will, ask the school to call the appropriate office listed below. Only a school can request results from the office. A parent cannot make the request directly.

You can also use the method to request that scores be sent to schools that were coded incorrectly on the answer sheet or schools where you decide to apply after taking the exam. **There may be an additional fee for this service.** Requests can be made after December 3, 2018.
