## SOME THINGS TO KNOW

- **What is the purpose of the examination?**

The examination provides objective information about eighth-grade students applying to the high school admissions program. Catholic high schools use the examination for making decisions about applicants.

- **What does the examination measure?**

The HSPT® provides national normative measures in the following cognitive and basic skills areas: verbal and quantitative skills, reading, mathematics, and language. Additional information about the HSPT® can be found at [www.ststesting.com](http://www.ststesting.com). Click on the HSPT® link.

- **How much does it cost to take the examination?**

The fee is \$65.00 for registered students, nonrefundable.

- **How many times may a student take the examination?**

A student may take the HSPT® for the COOP Admissions Program only **once**.

- **What information will be provided to parents/guardians concerning student scores?**

A Home Report will be sent via email and/or paper. Email reports will be sent to the email address entered on the online registration form. A sample Home Report can be found on [www.ststesting.com](http://www.ststesting.com).

- **Calculators, cell phones, and other electronic equipment are not allowed during testing.**

- **What accommodation is made for students with special needs?**

Due to the nature of the testing, the only accommodation made will be extended testing time. An Eligibility Form for Students Needing Extended Time is available as a separate document on the website [www.njcoopexam.org](http://www.njcoopexam.org). Print the document, fill it out completely, and return it with a copy of supporting documentation to the name and address listed at the top of the form. **All materials must be received by October 19, 2022.**

**Extended testing time is not available for the November 11 examination at the following schools:**

**147 – Mary Help of Christians**

**814 – St. Benedict's Preparatory Academy**

**818 – Lacordaire Academy**

**830 – Mother Seton Regional**

**Extended testing time will be available at most make-up sites. Check the website for updated information.**

Submitting the Extended Time application does not register the student. The student must register online by the school or parent.

- **What about students applying to a grade other than ninth grade?**

These students should apply directly to the high school.

## ADMISSION TO THE EXAMINATION

You should receive your test admission letter according to the dates on page 2. Admission letters will be sent by **email** to all students registered as elementary school \*999. Please add support@njcoopexam.org to your address book to be sure it is delivered to your inbox. Please check your junk or spam email before requesting a replacement admission letter. Students in participating Catholic elementary schools will receive admission letters from the elementary school. You must present the letter at your test site on the day of the examination. Your COOP admission letter will look like the sample on page 17. A “Code 5” indicates the student will receive extended time. **Note:** Your test site may not necessarily be the same as the school you wish to attend in the fall.

Before the day of the test, make sure you know where your test site is located and exactly how much time you will need to reach it. You should arrive at the test site at 8:00 a.m. to check in. The examination starts promptly at 8:30 a.m. If you arrive at the school test site after the examination has started, you cannot be admitted and will have to take the exam on the makeup test day – Saturday, November 19, 2022.

At the bottom of the Test Admission Letter are three spaces in which to enter the names and code numbers of a maximum of three high school choices. **Choices are not in preference order.** See the section called **Learning About and Selecting High Schools** on page 6. The signature line should be filled in by a parent or guardian to show agreement with your choices.

Report any corrections **immediately** by sending an email to support@njcoopexam.org. Put “Corrections” in the subject line. Put the student’s name, date of birth, and Student ID number from the Test Admission Letter, and any corrections in the body of the email. Corrections cannot be made by telephone or after November 8, 2022. You will be informed by return email that the correction was made. In most cases issuing a new test admission letter will not be necessary.

If you lose your admission letter or have not received one by Monday, November 8, send an email to support@njcoopexam.org. Put “ticket” in the subject line and the student’s name and date of birth in the body. Also include a telephone number so we can contact you if there is a problem with the registration. A test site admission letter will be sent from support@njcoopexam.org by return email if the student is registered. If you do not have access to email, call the COOP Help Desk at 888-921-2667 and press zero to speak with a representative. If the student is registered, you will receive test site information. Test sites have rosters of registered students, so they will be expecting the student.

## MAKEUP TEST FOR REGISTERED STUDENTS

Registered students with a Student ID number unable to take the test for any reason on November 11, do not have to call the school or the COOP Help Desk. A makeup test will be administered on Saturday, November 19, 2022, at designated testing sites. Makeup sites will be posted on the Website njcoopexam.org no later than November 11. Beginning Monday, November 14, call the makeup test site where you will be taking the test and let them know that you are a registered student who will be taking the HSPT® test. Have your Student ID number ready if needed. Your test admission letter will admit you to any makeup site. **There is a \$10.00 makeup fee that can be paid in cash or by a check made payable to the test site school.** Granted extended time accommodations will be available at all makeup sites.

## LEARNING ABOUT AND SELECTING HIGH SCHOOLS

- 1) The student and parents should make a list of the important considerations in choosing a high school and use the list in determining which high schools are a “good match”.
- 2) Gather more information about the schools that interest you. Contact the admissions office or visit the school’s website.
- 3) Visit the school. Take advantage of opportunities for in-person or virtual tours and events for prospective applicants.
- 4) Find out about admissions requirements for the schools to which you want to apply. Since many students are interested in Catholic education, it is necessary to meet all deadlines set by the individual high schools.

## NINTH GRADE APPLICANT RECORD

The Ninth Grade Applicant Record form is a very important part of the Cooperative Admissions Program. The Ninth Grade Applicant Record gives the student’s current school permission to provide the student’s selected high schools with a copy of the student’s school record. The Ninth Grade Applicant Record gives the student the opportunity to indicate where the records will be sent. Schools are not in choice order.

The Ninth Grade Applicant Record form can be downloaded from [www.njcoopexam.org](http://www.njcoopexam.org). The student’s parent or guardian completes the *Permission for Release of Records* section, the *Student Information* section, and the *High School Choice* section of this form. The student gives the signed form to the 8<sup>th</sup> grade teacher, counselor, or principal at the student’s current school no later than **November 6**. The appropriate staff member at the student’s current school fills in the *School Record Information* section, and *Student Performance* section, signs the form on the bottom of page 2, and makes a copy for each of the student’s high school choices. The student’s current school should mail a copy of the completed Ninth Grade Applicant Record form, along with a copy of the student’s cumulative record and standardized testing scores, **to each of student’s high school choices**. The elementary school is responsible for making sure the designated high schools receive the completed Ninth Grade Applicant Record no later than **December 5, 2022**. It is important that the high schools receive all information requested in the School Record Information section of the Ninth Grade Applicant Record, along with a copy of the student’s standardized test results. See pages 12 and 13 for a listing of participating high schools. High schools will notify applicants of admissions decisions on **Friday, January 13, 2023**.

## HSPT<sup>®</sup> SCORES WILL BE DISTRIBUTED TO COOP-PARTICIPATING HIGH SCHOOLS ONLY

The names of the high schools that participate in the Cooperative Admissions Program (COOP) are listed in the COOP Student Handbook on pages 12-13 and on the [njcoopexam.org](http://njcoopexam.org) welcome page. Students applying to high schools that are part of the COOP program must take the HSPT<sup>®</sup> at one of the COOP-participating high schools or in their participating elementary school. As part of the registration fee, HSPT<sup>®</sup> results for students testing through the Cooperative Admissions Program will be shared directly with up to three COOP-participating schools. Scores from the HSPT<sup>®</sup> taken as part of the cooperative admissions process **will not** be distributed to schools that are not part of the Cooperative Admissions Program. Parents of students who are applying to schools that are not part of the Cooperative Admissions Program should check with the school’s admissions staff regarding testing requirements. Parents of students who take the HSPT<sup>®</sup> as part of the Cooperative Admissions Program in November will receive a HSPT<sup>®</sup> Student Score Report in early January, 2023.

## WALK-IN STUDENTS – November 11, 2022 Administration

- Registration closes at midnight, Tuesday, October 25, 2022. Any student who has not registered can take the examination as a Walk-in student. Walk-in students are not guaranteed admittance to a test site, but most test sites will admit Walk-in students. Check the website [njcoopexam.org](http://njcoopexam.org) for any schools not accepting walk-in students because of space limitations.
- Check the web site [www.njcoopexam.org](http://www.njcoopexam.org) for closed test sites. Test sites listed as closed are full and will not accept Walk-in students.
- Choose an open test site from schools listed on pages 14 and 15 of this manual. Call the test site as soon as possible (phone numbers are listed on the “Participating Schools” list found on pages 12 and 13 of this handbook) and tell them that you want to take the COOP test as a Walk-in student. Most sites will put you on a Walk-in list so you will be sure to be admitted.
- The student will be asked to fill out a **Walk-in Application** form before the test begins. This form will be available on the Web site [www.njcoopexam.org](http://www.njcoopexam.org) beginning on October 22, and can be filled out and presented at the registration desk. Do not enter a Student ID number. See the “Selecting Your High Schools” section on page 6 of this manual. The student will need this information at the test site.
- The \$90.00 fee for Walk-in test takers (\$65.00 test fee + \$25.00 Walk-in fee) can be paid by cash, a bank check, or money order payable to **NJCOOPEXAM**. **Personal checks will not be accepted.**
- **The extended time accommodation is not available for Walk-in students.**

## WALK-IN STUDENTS – November 19, 2022 Makeup Administration

- Students that are taking the make-up test as a Walk-in should follow the same directions for Walk-in students above and for Makeup students, but identify as Walk-in. All makeup sites will accept Walk-in students. The \$90.00 fee for Walk-in test takers (\$65.00 test fee + \$25.00 Walk-in fee) can be paid by cash, a bank check, or money order payable to **NJCOOPEXAM**. **Personal checks will not be accepted.**
- **There is an additional \$10.00 makeup fee** that is separate from the test fee, and checks for this fee should be made payable to the test site school. Cash will also be accepted. The total amount for unregistered students taking the makeup examination is \$100.00.
- (\$65.00 test fee + \$25.00 Walk-in fee + \$10.00 makeup fee).
- **The extended time accommodation is not available for Walk-in students.**

## Instructions for Completing the Ninth Grade Applicant Record

---

- The Ninth Grade Applicant Record is a very important part of the admissions process.
- Parents should accompany students to Open House programs and read school literature before selecting a maximum of three (3) high school choices. Remember, the testing site has no bearing on school choice.
- The Ninth Grade Applicant Record form can be downloaded from the home page of the COOP Website ([www.njcoopexam.org](http://www.njcoopexam.org)). Parents are requested to complete the Permission for Release of Records section, the Student Information section, and the High School Choice section of this form before submitting it to the student's eighth grade teacher, counselor, or principal. The school official should fill in the School Record information section, sign the form, and make three copies. A copy of the completed form should be mailed by the elementary school to each of the three high schools identified on the form. The elementary school is responsible for making sure the designated high schools receive the completed Ninth Grade Applicant record no later than **December 5, 2022**. It is important that the high schools receive all information requested in the School Record Information section of the Ninth Grade Applicant Record, along with a transcript of the student's standardized test results.
- The high school choices are not in preference order.
- If more specific information is needed for any of the schools, you may call the high schools directly. See Participating High Schools, Code Numbers, and Telephone Numbers on pages 12 and 13 of the Student Handbook.
